

LockerWorks® Fundraiser Options

LockerWorks is the essential locker organizer that creates sturdy shelves to organize all the stuff that ends up in a heap at the bottom of a locker. It expands usable locker space, and adjusts to fit full or half lockers. LockerWorks hangs from a shelf, hooks, or rod with a unique design that fits most locker configurations. Choose a fundraiser that helps your students get organized while making money for your group:

On-Hand - Pre-order organizers to have available for immediate purchase. This is the ideal fundraiser for orientation, registration and back-to-school events. Just estimate the number of LockerWorks you want to have on hand to sell, place your order, and we'll deliver in time for your fundraiser. No payment is due with your order – and you can return any LockerWorks that don't sell.

Pre-Sell - Distribute the LockerWorks product card, cover letter and order form, or use a customized announcement flyer/order form that can be emailed. Place a group order with us, and we'll ship it to you for distribution. It's that simple.

The On-Hand and Pre-Sell fundraisers are designed for sales of at least 15 organizers. The suggested retail price is between \$20 and \$30 each, but you decide the best price for your community and profit goals. Your cost per LockerWorks is based on the quantity ordered:

45 or more: \$14.00 each with free shipping* 15–44: \$14.00 each + shipping

**Free ground shipping to school or business address. FedEx residential surcharge applies to home deliveries. See order form shipping/payment section for details.*

For any fundraiser you choose, LockerWorks provides a free sample to test in your lockers and put on display, posters to publicize your event, customizable flyers, and product description cards at no charge.

Fundraiser Checklist:

- Pick a date for the fundraiser. An event attended by parents is a good choice because they will recognize the value of a LockerWorks organizer.
- Determine what the profits will be used for, and be sure to publicize it. If there is a specific fundraising goal, people are more apt to buy.
- Decide on your selling price.
- Complete the LockerWorks Group Order Form (on reverse) and fax it to 815-642-8105 at least one week before the fundraiser.
- LockerWorks will deliver your promotional materials and/or organizers, depending on your fundraiser type, by the date you've requested.
- Put the LockerWorks posters up around your school. There's space to fill in details like the fundraiser date, contact person and price.
- Familiarize yourself with the adjustments needed to fit the lockers at your school. Follow the simple instructions on the label, or visit our website at locker-works.com.
- Display a LockerWorks organizer before and during your fundraiser. It can be hung from a shelf, rod, or hooks. A hanging rolling rack or the front of a table works well.
- Payment at your fundraiser should be made directly to your organization, not LockerWorks.
- For Pre-Sell fundraisers, collect order forms and payment, then place your order with us. We'll ship your organizers to arrive at your convenience.
- For On-Hand fundraisers, pack up any remaining organizers and ship them back to us within a week. There is no restocking fee, but you will need to pay for both inbound and outbound shipping on your returns.
- Pay LockerWorks by check, money order, Visa, MasterCard, American Express or Discover.
- Enjoy your LockerWorks profits!

Time for a change?

80% of parents say that their child's most serious problem in school is a lack of organization.

Educators know that the majority of academic problems stem from a lack of organization rather than from a lack of academic talent.

The U.S. Department of Education feels that the #1 way to assist children with their homework is to help them get organized.

Teachers can show that they value organization by recommending appropriate tools, modeling organization, and providing time regularly for students to stay organized.

Good organizational habits will set students up for success in school and in life.

No matter what your style—neat freak, pigpen, or somewhere in between—everyone benefits from organization.
